## President's Letter

### Flexibility!

After we learned a couple of weeks ago our usual meeting spot had been rented out, Kent Crowell scrambled to find us another location to host our meeting. We will be meeting at the Patterson Branch Library, on the 7th. Due to the location and our time restraints, we are going to need to reschedule the Christmas Luncheon. Plan on having our get together in February! Kent also found out our scheduled demonstrator wasn't going to make it, so I'm pinch hitting on short notice! Our meetings are not about the "place or program", but the folks we get to see!

Our parent organization, AAW, is once again having a scholarship drawing for Aarowmount School for the Arts or John C Campbell Folk School, for 2020. This year, anyone who is an AAW member can apply for the scholarships. The link to apply is <http://tiny.cc/AAWScholarships>.

The call is out for applications to be a demonstrator for SWAT 2020. If you are interested in applying, talk to me and I will email you the application. Demonstrating at SWAT is a paying gig! In 2020, our meeting dates will move to the 3rd Saturday of the month. This will allow us a greater opportunity to participate in the First Friday Art Trail and get us away from 3 possible holiday conflicts.

Our classes at the Garden and Arts Center continue to be a huge success. The upcoming offerings will be an Intermediate Class beginning January, 30th and a Beginning Turning Class starting March 26th. Interested parties should contact the Lubbock Garden and Arts Center to sign-up. A quote from Robert Clark, "I'm learning more by teaching the class than I did by taking the class"! If you want to improve your skill, come help out! I hope all of you have a joyous holiday season with family and friends! Merry Christmas!

-Jim Bob

**Editor's Note**

Hello everyone! We need more volunteers at the classes! I was unable to attend many of the latest classes (due to baby 101 classes) and we could use some more hands to make it a one on one experience with the students. Please feel free to ask me or JimBob about how you can help or just how helpful the classes are. These classes are actually how I found the club myself and it is a great way to get more people interested in the craft. Also if anyone has questions about 3D printing please feel free to contact me. Thanks!

“The one with all the toys”

If anyone has any questions they can contact Michael Woodard and he would be more than happy to help you. (As long as he isn't playing with his toys and had a nap that day)

**Our Web Site (<https://southplainswoodturners.org/>)**

Have a question about what responsibilities of the Officers and Board Members-at-Large have? Find the By Laws under the Leadership Tab. Note: We did not post the private telephone numbers or email addresses of any members on our web site. We use contact boxes where guests can reach us through a safer method.

Or maybe you missed a recent “show and tell” or Buddy Compton’s black bowl with silver cream. Let’s take a closer look at what you will find under our “About” tab. One of the goals of the AAW web page is to find what you need with a single click. Here on our site you will find the next meeting location, a calendar, a “Contact Jim Bob” box, maps to the meeting and classes, and a call for demonstrators starting in our new year in the month of August. At the top where guests and members can’t miss it are graphic links to SWAT and AAW as well as the Google Docs Form where we need you to enter your info so we can prepare a better membership roster for rollout soon.

Past first-place winners of the chapter website contest and newsletter contest have been inducted into AAW’s [Hall of Fame](#), prominently honored at Woodturner.org

The web page is never done and we will strive to keep it up to date. Don’t see your pic? Send something to Kent, Ed, or Christian for the next update or issue.

We hope you will take some time to take advantage of this powerful tool and continue to support us in our mission to educate, inform, and organize woodturning in the South Plains.
