The Newsletter of the South Plains Woodturners

Vol. 11, No. 12

December, 2017

The President's Letter

I hope everyone had a wonderful and safe Christmas. Thanks to your generosity we made a lot of sick and hurting children happy. I was privileged to take the toys to both UMC and Covenant with the Templar Toys for Girls and Boys, and The Houston Shrine Hospital for Children and the Galveston Shrine Burn Hospital. The smiling faces are precious and I thank you for helping make the trip a success. Here at home I want to thank Sonia Comacho for organizing a wonderful Christmas party for all of us.

Our first meeting is Saturday the 6th of January at the normal 1710 42nd street address at 10:00 am. We are looking toward to an exciting year with the Board of Directors planning ahead for our Demonstrations and Demonstrators.

I look forward to seeing you there.

Buddy

Founder of South Plains Woodturners Dies on December 28th

His good friend Dick Markham called to report that Bob Harbaugh had died on the evening of Friday, December 28th, at Southwest Medical Center in Houston, surrounded by his family. He had suffered from a shutdown of his digestive system and an aortic aneurysm and was scheduled to be moved to hospice care.

Bob was instrumental in founding our club, and he served twice as our president, including a year as our very first president. Without Bob we probably would not have a club. He and his wife, Arlene, had moved to El Campo, in the Houston area, a couple of years ago. Our thoughts and prayers are with Arlene and their entire family.

NEXT MEETING: 10AM–12 Noon, Jan. 6th, 2018, 1710 42nd St., Lubbock, ½ block west of Avenue Q.

Our demonstrator will be **Jim Bob Burgoon**. His topic will be "Rude Osolnik Candlesticks." ("Rude" rhymes with "moody," not with "crude.")

Club Calendar

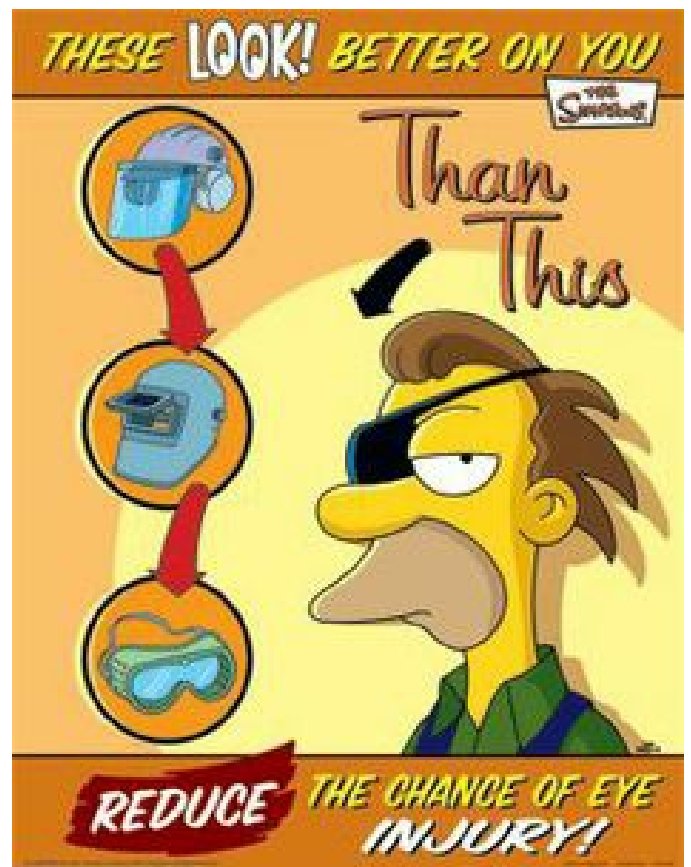

January Club Meeting 1/6/2018
Demo: Jim Bob Burgoon, "Rude Osolnik Candlesticks"

Location: 1710 42nd St., Lubbock,
½ block west of Avenue Q.

Beginner Class: begins Feb. 1, 2018

Intermediate Class: begins Apr. 5, 2018

Class details to follow.

December Demonstration: Scot Goen, "Embellishing the Rims of Bowls and Platters"

Resources:

I acquired all of my information from the internet (You Tube videos and websites). Visit the sites below for information on piercing and the tools utilized.

Denton Woodturners

Google: goldentrianglewoodturners.org
 -click on documents and then
 "Piercing on the cheap"

There is an excellent handout with a list of the supplies needed and where you can purchase them. There is also a video that goes along with the handout that I suggest you watch.

Big Guy Productions (<http://eddiecastelin.com/>)

He has a video also titled "Piercing on the cheap", and he also goes over the supplies needed.

Once you determine what you need, you can find all necessary supplies online.

For inlay, I used Milliput epoxy. There are several videos on YouTube under "Jimson's Stuff" where he shows you how to incorporate this material into your turnings.

Milliput is available at Hobby Lobby.

Contact information:

scot.goen@gmail.com

Scot grew up in Anton on a cotton farm. He worked in the education field (teacher/coach, administrator, etc.) and retired from Region 15 Education Service Center in San Angelo on January 31, 2017, after a 34-year career. He moved to Lubbock to be closer to his family. Primarily he did flat woodworking and pens up until recently, and he is now trying to do more bowl turning and hollow vessels. He says he is eager to learn from the members of the club and always willing to share anything that others might deem helpful in their turning projects.

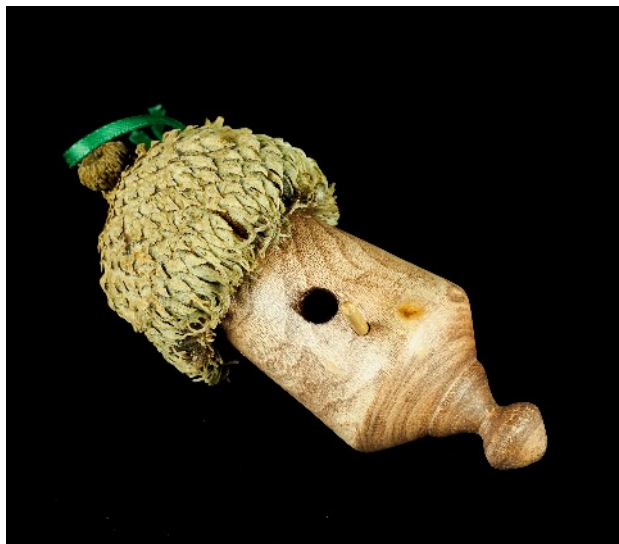

LATHES FOR SALE:

Gordon Graves is selling his **Delta 46-460** wood lathe with phase inverter to make it variable speed, 220V single phase (\$750). Email him at fourgfarms1970@gmail.com, call him at **806-638-0515**, or see him at the meeting.

Buddy Chesser is selling his **Oliver** wood lathe, 12" swing, 110V (\$850). This lathe has a 1-1/8" spindle, but Buddy will supply an adapter to 1". Email him at lubbockcc@gmx.us, call him at **806-548-0694**, or see him at the meeting.

Dick Markham is selling his 12" **Delta** lathe, a 4-speed model with quick belt change. The price is negotiable. For information call Dick at **806-795-6248**.
