## The President's Letter

*Our prez at SWAT*

Welcome, Woodturners! I am honored to be visiting with you via this letter.

We have several things that we have to look forward to. First, let me say thanks for your being patient with us in getting our meetings set up at the new location. We are still modifying things and adjusting to the new surroundings. Please let me or any board member know of anything we can do to make it better.

Second, Sonia Comacho has organized the Christmas Party and it will be at the Women's Club on Broadway, December 12, starting a 6:00pm. We will have tickets at the meeting, \$25.00 per person or \$50.00 per couple. (Trying to bring some humor in!) There will be a gift exchange again: bring a burned item, and you will get a turned item from someone else.

Third, Bob Davis has organized our library and has asked me to have anyone who has checked anything out to please return it (see list on pp. 3-4). He has compiled a list of cd's and books that haven't been returned and need to be.

Fourth, I hope that everyone has been thinking about our exposure to the community. The green club shirts are notable, but the display cases are exciting! Please let me know who will help the club by volunteering to be our Display Case Chairperson.

Fifth, don't forget about the raffle: please bring a turned piece or something interesting.

Finally, the Trend Air-Shield Pro will be raffled at the Christmas Party. Buy your tickets now! Don't miss the opportunity to win this excellent piece of safety equipment.

I'm looking forward to seeing you at the meeting on November 4. If you have any suggestions or opinions please call me @ 806 548 0694. I look forward to visiting with you. SEE YOU AT THE MEETING!!!

*-Buddy Chesser*

**NEXT MEETING:** Nov. 4, 2017, 1710 42nd St., Lubbock, ½ block west of Avenue Q.

**Members, please read!**

1. We will be selling **75 raffle tickets at \$10 each** for a **Trend Airshield Pro** (faceshield with air supply) to be given away at the Christmas party in December. You don't need to be present to win. We are limiting it to 75 tickets, so you have a good chance to win. We will be selling tickets at the meetings until then.

2. **We are still in need of some help!** Sonia Comacho will head up the Christmas party planning (thanks, Sonia!!!), but we still have no volunteer to be the **chairman for the display cases**, we have several around town that we display members' work in. Our board members are already busy doing the day-to-day operations of the club and don't have time for the extra jobs. We are in danger of losing some of the extras if no one steps up to help. Contact us here or email Buddy Chesser or any other board member if you can help (email addresses are listed on this page).

**WE WANT OUR LIBRARY BACK! by Bob Davis**

I'm in the process of reconciling our library collection. Following is a list of members that have library items checked out and are presently "overdue".

We would like for you to return the listed items no later than the Club's 5 January 2018 meeting.

Members with library items still outstanding after that date may be asked to purchase those items at present commercial replacement costs.
